Non-Compliance Dress Code Violations

1) It is the expectation of the school that all students will be in dress code during the school day.
2) If a student is out of dress code, it is expected he/she will come into compliance immediately upon request.
3) If a student cannot come into dress code he/she will be sent to the Campus Life Office where one of the following things will happen:
   - The student will find clothes to use from the clothes closet at Lyndon Institute
   - The student will find a way to come into compliance using clothes he/she may have in cars or lockers
   - Clothes will be brought from home which meet the dress code
   - With parental permission, students may also go home/dorm to change and return to school once in dress code
