

SENIOR PORTRAITS, BABY PICTURES & SENIOR QUOTES

**CONGRATULATIONS! You are now officially a senior, Class of 2020!
DUE, NOVEMBER 1ST, 2019**

This summer, while you're enjoying the sun (and hopefully warm weather) and getting a great tan, take time to get your senior portraits taken! Hiring a professional photographer is a great choice but you can also have a friend or family member take them for you. Mr. Leonard, in the Marketing department at Lyndon, is also available this summer to take your photo for FREE!

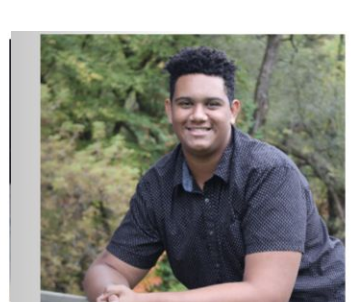

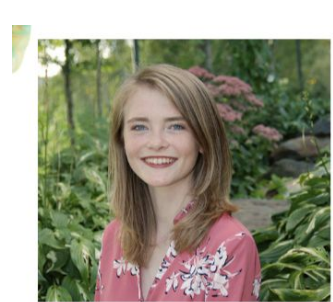

Senior Portraits, Baby Pictures AND Senior Quotes are due on or before, November 1st, 2019. Please send via email to yearbook@gmail.com, in the Subject Line please place your first and last name. Send one email with your senior picture, baby picture, and quote-- do not send separate emails as these will get lost. If you need to have your pictures scanned, please stop at the Norris Arts Center, Room 206 (2nd floor) and I can scan and return them to you at the same time.

Below you will find information about Senior Portraits and Baby Pictures. Your Senior Quote should be 15 words or less, you may use your own words (no profanity or negative references) or written quotes - be sure to include the author's name even if it's "Unknown".
