

## **LYNDON INSTITUTE VIKINGS ATHLETIC HALL OF FAME**

### **Nomination Information**

The Lyndon Institute High School Alumni Office is accepting nominations for the Vikings Athletic Hall of Fame. Nominations are due **October 1** for the following year's class induction. Anyone from the local or extended community is encouraged to nominate a former Lyndon Institute student-athlete, coach, team or other individual whom you feel is deserving of this honor. The Hall of Fame Classes will be announced January each year and be honored in the following fall.

The criteria for a person's nomination are as follows:

1. The nominee must, during his/her career, have exemplified the pride, success, and spirit we try to emulate in Lyndon Institute Athletics. Nominees must be free of public dishonor and must not have been socially or academically dismissed from LI.
2. A student/athlete is eligible for nomination at any time beginning five (5) years after receiving his/her diploma from LI. (A person who has not received a diploma from LI, but spent a minimum of three (3) years at LI before graduating at another school may be nominated, but not until five (5) years have elapsed since he or she normally would have received a degree.)
3. A coach (trainer, manager, faculty or staff member) who has been a part of a varsity sport in some fashion, for a minimum of ten (10) years with the LI athletic department, and be retired from their association.
4. An individual who represents an "At-Large" nomination must have made significant contributions to the LI athletic department. Nominees must have been associated with, performed duties or volunteered for LI for at least ten (10) years and be retired from their association.
5. Teams that have exceptionally distinguished themselves through high achievement, a minimum of ten (10) years ago, are eligible for nomination.

**To nominate an individual/team, please fill out the Nomination form below and send to:**
