The form includes a "Back" link, an access code field containing "STXG-FB22-C3PW", and input fields for "First Name", "Last Name", "Email or Username", "Password", and "Confirm Password". There are two checkboxes: one checked for "Subscribe me to the Schoolgy Exchange blog" and one unchecked for "By clicking Register, you are agreeing to our Privacy Policy and Terms of Use". A blue "Register" button is at the bottom.

3. Your child should appear linked below your account. If you have more than one child attending Lyndon Institute, click the Add Child Button and enter the access code.

4. Here are the courses drop-down menu. Here you should be able to see your child's courses.

The screenshot shows the Lyndon Institute website interface. At the top, there is a dark red navigation bar with the Lyndon Institute logo on the left and the user name 'ABEL ABELTON' on the right. Below the navigation bar, there is a sidebar on the left with links for 'Grades', 'Calendar', and 'Messages'. The main content area is titled 'Student Activity · Enrollments' and shows a message from 'Lyndon Schoology Help' with a Google Slideshow titled 'Student Schoology Basics.pptx'. A modal window titled 'Your Children's Courses & Groups' is open, displaying 'No active courses' and a 'Most Recent' filter. The modal also contains a 'Back' button and 'Next' and 'Close' buttons. On the right side, there are two panels: 'Recent Grades' with links for 'Graded assignments', 'Graded tests/quizzes', and 'Graded discussions'; and 'Upcoming' with the text 'No upcoming assignments or events'.

5. You are able to see your child's recent grades by clicking recent grades in the right-hand column.

This screenshot is similar to the previous one, but the modal window is closed. The 'Recent Grades' panel on the right is now expanded, showing the title 'Recent Grades/Attendance' and the text: 'This area will alert you of new grades and attendance marks that your children receive from their instructors.' Below this text are 'Back', 'Next', and 'Close' buttons. The rest of the page content remains the same.

6. Your child's upcoming assignments will be posted in the right-hand column.

This screenshot is similar to the previous one, but the 'Upcoming' panel on the right is now expanded. It shows the title 'Upcoming' and the text: 'This area will show any upcoming due dates for assignments, test/quizzes, and events from your children's courses, groups, and school.' Below this text are 'Back', 'Next', and 'Close' buttons. The rest of the page content remains the same.
